***Re: Craig Dellarocco v. Long Island Railroad  
Company  
Docket No.: 24-cv-02786  
Our File No.: JN-7260***

Dear Judge Parker:

May it please the Court. This matter is scheduled for a settlement conference on November 25, 2024, before Your Honor. I respectfully request this conference be adjourned to follow the completion of expert discovery. Plaintiff remains out of work due to injuries allegedly sustained on March 13, 2023. Plaintiff's injuries may lead to his forced retirement from LIRR. In order to properly evaluate his claim, LIRR requires expert discovery, specifically an examination by an expert orthopedist and vocational rehabilitation expert. Should Plaintiff's injuries result in a forced retirement he will demand compensation for significant economic loss. Therefore, the case is not yet ripe for settlement due to the need for expert discovery and a determination if Plaintiff will return to work. The deadline for expert discovery is January 24, 2025. I make this request with the consent of Plaintiff's counsel. This is the parties first request to adjourn the conference. Thank you.

Very truly yours,
